SUBJ: Feasibility Study - Sections 1-3  
Brown's Dump Site  
EPA I.D. Number: FLD 980 847 016

Dear Ms. Tunsill:

In late November 2002, the U.S. Environmental Protection Agency (EPA) received the Feasibility Study (Sections 1-3) for the Brown's Dump Site. Enclosed with this letter is a copy of the study. Please take this opportunity to review the above study and provide EPA with any comments by close of business (COB) January 10, 2003.

EPA is aware that the funding limitations under the Technical Assistance Plan (TAP). EPA notes that the Technical Outreach Services for Communities (TOSC) is available to provide technical assistance for Citizens Organized for Environmental Justice (COEJ).

If you have any questions on the report or other aspects of the project, please feel free to call me at (404) 562-8938 (toll free - 1 800 435-9234).

Sincerely,

*Wesley S. Hardegree*
